## 2010 Mickey Finn Scholarship Golf Tournament A Huge Success!

The 2010 Mickey Finn Scholarship Golf Tournament was held at Tiffany Greens Golf Club on Thursday, June 10. There were 24 teams and many sponsors present for the event. The golf tournament is held every year to help raise money to provide scholarships to deserving North Kansas City High School students. Along with the golf tournament there was a live auction and raffle for those who stayed after for dinner. The North Kansas City Business Council would like to thank all the sponsors who helped make this event the success that it was!

## New Administrative Assistant Joins Business Council

On June 7, 2010, Denise Klee joined the staff of the North Kansas City Business Council as their new Administrative Assistant. Denise brings a diverse background from small business owner to a former staff person for the Gladstone Chamber of Commerce. She is a graduate of the University of Central Mis-

souri, lives north of the river, and does photography on the side. Denise's first words upon being hired were, "I am thrilled for the opportunity to work for the Business Council and to promote, advocate and serve the businesses of North Kansas City." The Business Council is thrilled to have Denise on board too, and

they're looking forward to a long and great relationship.

### Golf Tournament cont.

The city that holds the Guinness World Record for the largest pub crawl is [Maryborough, Queensland, Australia](#) (4718 people) for the World's Greatest Pub Crawl held in June 2009.

### NKCBC Pub Crawl Coming This Fall

The North Kansas City Business Council is moving forward with a plan to bring a lot of people to North Kansas City on the evening of September 11th in conjunction with Second Saturdays. The idea is to put together the first organized pub crawl in North Kansas City to promote the bars, restaurants, and city to people

who may not know what fun North Kansas City has to offer. It will be a way to bring people down to North Kansas City at night and give retailers, restaurants and bars a reason to stay in town and stay open. In other areas of the metro that have done this, it has been a huge success, with very few, if any,

problems. The idea was brought forward by the Program Committee of the Business Council, and with the participation of businesses in the city it will become an annual tradition. A meeting with the restaurants and bars is scheduled to happen in the next week or two.

### 2010 The Big Event Date Set!

Mark your calendars now for the 2010 The Big Event—A Taste for the Holidays to take place on December 2, 2010 at Finnigan's Banquet Facility. After last year's resounding success, the Program Committee has decided to follow the same format as last year. We are

excited to get this date announced and to start gathering commitments from restaurants and more fantastic auction items. Tickets will once again be \$25 a piece and a table of ten can be bought for \$200. Watch your email and mailbox for more information to come

If you have an auction item you would like to donate or if your business would like to participate in any way, contact Denise Klee at the Business Council office at (816) 472-7700.

## Luncheon Sponsorships and Other Opportunities to Promote Your Business

Throughout the year, the North Kansas City Business Council has opportunities for you and your business to promote yourself to the other members in the Business Council. One opportunity is as a luncheon sponsor. For \$300, your company can sponsor our monthly luncheon! You may ask, "What does that \$300 get me?"

- A table by registration to promote your business.
- 10 minutes to speak to the group.
- Provide the door prize.

- The ability to place promotional items on the tables for everyone to take home.
- And, your name in any correspondence the Business Council sends out about the luncheon.

We have some openings to host a First Friday Coffee in the fall and into 2011. If you have not had a chance to attend one of these great networking opportunities, all you do is provide coffee and breakfast items, and the Business Council members provide the

attendees. It is a great opportunity for you to showcase your business.

One more opportunity is the Business After Hours. Very similar to the First Friday Coffee, except you provide evening refreshments and hors d'oeuvres.

There are no costs to the Business Council to host these events. Contact us at (816) 472-7700 or [admin@nkcbusinesscouncil.com](mailto:admin@nkcbusinesscouncil.com) to sign up for any of these!

## Open House at NorthCare Hospice and Palliative Care

NorthCare Hospice and Palliative Care is proud to announce the opening of their first hospice house. This July 11, the NorthCare Hospice House will open its doors to the public during a special open house community event from 1-3p.m.

The NorthCare Hospice House is located on the east side of North Kansas City Hospital. Guests will be greeted outside of the facility and able to enter through the east, "#1" entrance. Parking will be available in the parking lot across the street and cookies and refreshments will be served!
