# North Kansas City – A Great Place to Have a Business

## Why North Kansas City?

1. Location – in the “bull’s eye” center of the Kansas City metro area – “20 minutes from anywhere”
2. Within just a few minutes from Downtown KC, River Market district, Crossroads district & Country Club Plaza
3. Access – easily accessed from any direction by major highways – I-35, I-29, I-70, MO 210, MO 9
4. Charming “small town” feel
5. Walkable & bike-able
6. An abundance of high-quality independent eating establishments
7. A variety of interesting places to “play” before or after work, weekends or during lunch hours
8. Convenient services for daytime population – auto repairs, tire sales/repair/replacement, dry cleaning, post office, insurance, license bureau, medical appointments, etc.
9. Lower taxes than most surrounding areas
10. No 1% earnings tax
11. Fastest internet speed in KC area (10 Gig capability) using internet fiber available throughout North Kansas City
12. Lower cost of doing business than many surrounding areas
13. Fast moving City approval process for new businesses and modification of older buildings or constructing new buildings
14. North Kansas City Hospital – a highly respected regional hospital, with Level 2 Trauma rating
15. North Kansas City High School, one of 4 high schools in top-rated North Kansas City School District
16. Great reputation for public safety – NKCPD and NKCFD

**Join 900+ other businesses that have chosen to be located in this 4.2 sq. mi. municipality.  
“Virtually Urban. Supremely Suburban.”**
